Don worked in the financial industry as a derivatives broker for many years both in London and NY before moving to Arizona with the goal of making a positive difference in the life of James, his special needs son.

Recently Don had a change of career and is now an independent Licensed Massage Therapist and NASM Certified Personal Trainer. He wants to manage his own time and while building a business also devote time and effort to other activities that he is passionate about.

Don enrolled James with Horses Help about five years ago and he has been riding regularly ever since with very positive results, he always has a big smile on his face while riding.

Don has wanted to get involved for a number of years.
