MSQR

Multiple Sclerosis Quarterly Report

This publication is more technical than most. It has updates on the latest medical research regarding MS and it also lists all the ongoing MS clinical trials, the requirements for participating in a trial (many take place at Barrow Neurological Institute in Phoenix), and the contact information for those interested in being part of the trail.

Published four times a year by the United Spinal Association
75-20 Astoria Boulevard
Jackson Heights
NY 11370
(708) 803-3780 x246
